THE CIRCULAR ECONOMY ROADMAP TOWARDS A SUSTAINABLE FUTURE

FEBRUARY 16

The Diplomat-Bucharest organizes the first edition dedicated to **CIRCULAR ECONOMY** in ROMANIA on February 16, within an ONLINE event joining relevant stakeholders of governmental and economic departments, companies, groups of interest and experts.

Registration link: https://us02web.zoom.us/webinar/register/WN_cggb6iTTRwqOz60ACqJGoA

The project referring to the Strategy for the Transition to a Circular Economy (ROCES) 2020-2030 developed by IRCEM in partnership with the Romanian Ministry of Environment, Water and Forests and the Romanian Government's Department of Sustainable Development aims to define the pillars to support Romania's transition to a circular economy by involving all relevant stakeholders and by attracting the necessary financial support.

AGENDA

14:30- 16:30 | PANEL DISCUSSION

14:30-14:35 | INTRODUCTION INTO CIRCULAR ECONOMY by CONSTANTIN DAMOV, President of Green Group and Head of Circular Economy Coalition (CERC)

What effective model of circular economy can be developed in Romania?

- European and national legislative framework on the transition to a circular economy
- Action plan for the circular economy at national level (economic, social, environment, communication, education)
- The potential of the circular economy at national level
